# GUIDELINES

## Room Reservations

Before contacting Campus Catering please make sure you have confirmed your room reservation in 25Live by CollegeNet and a Work Order has been placed with Maintenance and Operations. Campus Catering does not provide tables and chairs for setup.

## Catering Orders

Please provide Campus Catering a two-week notice for your event. This will help plan and schedule accordingly. If you provide less than a two-week notice, we will make every attempt to cater your event; however, your initial food and beverage selection cannot be guaranteed.

For university events a budget number is required when placing the order. Please make sure you provide the department and the budget administrator.

For non-university events we accept major credit cards and checks. Please work with your Catering Manager on finalizing these payment details.

## Important details to include with your catering order:

### NAME OF YOUR EVENT

### DATE

### START TIME AND END TIME

*\* Please make any notes regarding meetings/events before or after yours. We make every attempt to be on time for clean up, but other activities during the day could delay us.*

*\*Standard setup is complete 15 minutes before Event Start Time; large events may require more setup time.*

*\* A service fee could be charged for any event outside of our normal operating hours.*

### LOCATION OF EVENT

*\* Please provide any important details regarding the setup that might be helpful for us to know prior to arriving to the event location.*

### MENU

*\* We would be happy to assist in customizing a menu.*

*\* Please share any known guest dietary needs or food allergies.*

### ESTIMATED NUMBER OF GUESTS

### CHOICE OF CHINA OR DISPOSABLE TABLE SERVICE

*\* Additional charges may be required for china service.*

### LINEN NEEDS

*\* If you require linen for any other tables besides food and beverage, please see Linen section of the guidelines.*

## Policies

Guests are not permitted to take leftover food, beverages, condiments or paper products from the premises of any catered event. This policy is driven by food safety concerns and is not negotiable.

The client is responsible for ensuring that all property belonging to Food Services is promptly returned. Items may not be stored in departments for future use. Clients may be assessed a fee for any items that are not returned.

## FINAL COUNTS & CANCELLATIONS

Final counts are due to the Catering Manager at least 72 hours before the scheduled event. If the client does not provide the final count within this time frame the client will be billed 100% of the guaranteed number of guests.

Once the final count is received an updated Sales Confirmation will be sent to the client. It is the responsibility of the client to review to make sure all details are correct for their event.

To provide a quality catering event, Campus Catering agrees to provide 5% above the guaranteed number. Quantities of food prepared will adequately serve the number of guaranteed guests, but this does not imply all-you-care-to-eat.

If an event begins more than 30 minutes after the scheduled starting time, Food Services cannot be held responsible for the overall quality of the meal. The client will be responsible for any additional labor costs incurred, which will be applied to the catering bill.

Catering charges will be based on the guaranteed number of guests or the actual number of guests in attendance, whichever is higher.

In the event of a cancellation less than 48 hours before the scheduled event, 50% of the non-recoverable costs incurred by Food Services will be charged to the appropriate group or department.

If an unusual or uncontrollable circumstance arises and Campus Catering must make changes, substitute items of comparable quality will be served. When possible, clients will be notified of any changes.

## **STAFFING CHARGES**

If an attendant fee is requested or required there will be additional charges based on the event needs.

All events are set up as a buffet service with disposable serving products. Linens are provided for food and beverage tables. Campus Catering can provide customized linens, china service, and attendants for an additional cost. Arrangements for these services must be made at least two weeks before the scheduled event.

## **DELIVERY SERVICE**

A minimum order of \$25.00 is required for delivery. Catered events can be delivered to any location on campus. Delivery times are available during normal business hours. Any delivery before or after these times may incur an additional charge depending on time, guest count and location.
