# ROOM CHECKLIST

Students are responsible for the condition of their assigned space. Roommates need to develop a plan for cleaning and returning room, suite, or apartment to its original move-in state. Each student must complete the checklist, sign name, date and indicate the side of occupancy. For the side of occupancy, 1 = Left or Door side, and 2 = Right or Window side. Each roommate may request a courtesy inspection at time of departure; this is encouraged for the last roommate to depart, when your space is empty.
